About Mount Logan Capital Inc.

Mount Logan Capital Inc. is an alternative asset management and insurance solutions company that is focused on public and private debt securities in the North American market and the reinsurance of annuity products primarily through its wholly-owned subsidiaries Mount Logan Management LLC and Ability Insurance Company. The Company also actively sources, evaluates, underwrites, manages, monitors, and primarily invests in loans, debt securities, and other credit-oriented instruments that present attractive risk-adjusted returns and present low risk of principal impairment through the credit cycle.

Ability is a Nebraska domiciled insurer and reinsurer of long-term care policies acquired by Mount Logan in the fourth quarter of fiscal 2021. Ability is unique in the insurance industry in that its long-term care portfolio’s morbidity risk has been largely re-insured to third parties, and Ability is no longer insuring or re-insuring new long-term care risk.
